UNIFIED COMMUNICATIONS

## Help your customers reach the right person, department, or information – 24 hours a day

### JUST ONE NUMBER

Auto Attendant lets you consolidate multiple offices with one phone number

### WORKS 24 HOURS A DAY

Auto Attendant works as your virtual receptionist 24 hours per day, 7 days per week

### INCREASED SATISFACTION

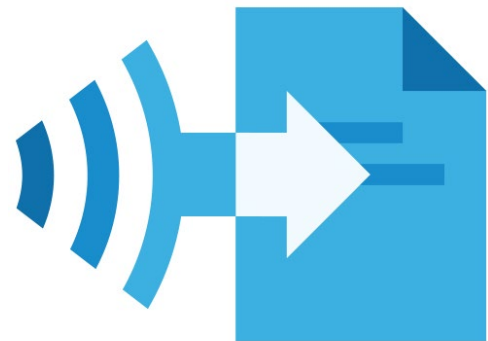

Your customers are quickly routed to the right person, department, or information

## THE ELEVATE AUTO ATTENDANT

The Elevate Auto Attendant allows inbound calls to be greeted, presented with routing options, then transferred – automatically – without going through a physical telephone operator or receptionist.

**Auto Attendant greets callers with a set of options that correspond to keys on the telephone keypad. It can:**

- Dial by name or by extension
- Route calls to specific people or groups
- Route calls to user voicemail
- Route calls according to business hours
- Provide outgoing recorded information

## ELEVATE AUTO ATTENDANT FEATURES

- Automated Menus
- Business Hours Routing
- Special Event / Holiday Routing
- Receptionist Group Module
- Dial by Name/Extension
- Voicemail Notifications
- Customizable Greetings
- Call Routing Override
- Easy Web Administration
